

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office

February 12, 1997 LB 113A, 113

Senator Jensen, I'm correct, all you did was restate the substance of the new language and then add this one sentence, and they just repositioned it in the bill. That's the reason the amendment looks a little longer than it really is because they just repositioned it inside the bill itself. So the last sentence of the amendment is the only substantive change made to the bill, otherwise everything else is the same.

SENATOR WILL: Thank you.

SPEAKER WITHEM: Thank you, Senator Will. Senator Jensen, there are no further lights on, would you care to close on your amendment? Closing has been waived. The question is, shall the Jensen amendment to LB 1113 (sic) be adopted? All of those in favor vote aye, opposed vote nay. While we are taking the vote on this, let me announce that we have a guest of the Legislature from Senator Stuhr's district; very pleased to have with us the Doctor of the Day from York, Dr. Pat Hotovy. Doctor, would you please stand and be recognized. We are voting on the Jensen amendment. Record, Mr. Clerk.

CLERK: 27 ayes, 0 nays, Mr. President, on adoption of Senator Jensen's amendment.

SPEAKER WITHEM: The amendment is adopted. Anything further on the bill?

CLERK: I have nothing further on the bill, Mr. President.

SPEAKER WITHEM: Senator Bruning.

SENATOR BRUNING: (Microphone not activated immediately.)  
...113 to E & R for engrossing.

SPEAKER WITHEM: You've heard the motion. All of those in favor say aye. Opposed. It is advanced. LB 1113A (sic).

CLERK: Mr. President, 113A. I have no amendments to the bill, Senator.

SPEAKER WITHEM: Senator Bruning.
